PHILIPS
sonicare

sense and simplicity

Specifications

Ease of use

- Suitable for these models: FlexCare+, FlexCare, HealthyWhite, HydroClean, EasyClean, DiamondClean
- Brush head system: Easy snap-on brush heads for

optimal hygiene

Technical specifications

- Operating time: For optimal results, a new brush head is recommended every three months.

Highlights

Snap-on brush head

Easy brush head placement and handle cleaning

Reminder bristles

Reminder bristles let you know when to replace the brush head. After three months of normal use bristles exhibit fatigue, and brush heads are less effective. Replace your brush head every 3 months.

Gently removes plaque

Gently removes plaque for an absolute clean and smooth feel.

Innovative new brush head

Innovative new brush head profile delivers a gentle experience while brushing sensitive teeth and gums.

Ultra-soft bristles

Ultra soft bristles at the core of the bristle field are 25% softer than our standard ProResults brush head. For a more effective, gentle clean.
